

Help Me Speak, LLC is proud to announce the following:

What: Help Me Eat Summer Camp/Group

Each child learns to explore a variety of different foods (tastes & textures) using our exceptional methods! Exploration includes sensory/food play, cooking/preparation of simple recipes, and tasting/eating. The latest structured oral motor techniques are incorporated into our sessions to improve each child's skills! Our clients tell us that **Help Me Eat** is a positive shared eating experience. Our SLPs are trained in the *most effective treatment approaches* for transforming picky eaters into typical eaters!

For whom: Picky Eaters (who eat ~ 20-30 foods overall in 3 categories); Children aged 4yrs to 10 yrs are encourage to apply.

Prerequisites:

- an oral-motor / eating evaluation at Help Me Speak, LLC (completed in May or June 2009)
